

GOD'S GRACE FOR MARRIAGES

APRIL 23RD 6:30 - 9:00 PM
KALAHARI CONVENTION CENTER

a seminar on:

"God's Design in Marriage" & "Applying the Gospel to Your Marriage"

with: Dr. George Scipione

Dr. George Scipione is a member of the National Association of Nouthetic Counselors, a Supervising Fellow and a board member. He practices and teaches the nouthetic counseling method which is biblical counseling done by Christians who are convinced that God is able to make changes in peoples lives that are necessary for spiritual growth through the teaching of His Word and the power of the Spirit. This approach has developed over the last forty years with various applications and been popularized in the U.S. by well-known pastors and authors such as Jay Adams, John MacArthur, and Al Mohler.

Dr. Scipione has been a minister in the Orthodox Presbyterian Church for nearly 35 years and is the founder and former director of the Institute for Biblical Counseling and Discipleship in San Diego, a ministry that trains church officers and laymen in the principles and practices of counseling based on the Word of God as a fully sufficient guide.

"I believe counseling is a subset of discipleship. Therefore, counseling is a spiritual duty and for select persons, the exercise of a spiritual gift. All non-organic (spiritual) problems must be solved biblically under the oversight of the elders. Organic problems need the best available medical care in conjunction with the pastoral care of the elders."
